

CHARLOTTE, ARE YOU READY TO MAKE AN *IMPACT*?

Become a Family Liaison.

Family Liaisons are individuals, families, or small teams of local community members who make a direct impact on Charlotte through cultivating relationships with families who demonstrate a strong need for change. Through this volunteer role, Family Liaisons support families through helping them set life goals and guiding them through their journey toward long-term stability.

THE FAMILY LIAISON COMMITMENT

In addition to a half-day onsite training session with Families Forward Charlotte, Family Liaisons commit 4 to 6 hours per month dedicated to the role. Liaisons commit to one year working with their partner family and have the option to extend their time to up to two years with the same family.

The commitment includes:

- Monthly in-person meetings with partnering family
- Maintaining correspondence with the family
- Joining the family at educational workshops
- Researching opportunities to help the family reach their goals
- Assisting in navigating necessary resources
- Ongoing training and communication with Families Forward Charlotte
