NEWS RELEASE Families Forward Charlotte announces NARENCO as Corporate Partner

Local company partners to help serve families living in poverty

Charlotte, NC — Families Forward Charlotte, FFC, welcomes National Renewable Energy Corporation (NARENCO) as its newest Corporate Partner. An established solar company focused on its contribution not only to the environment but to its community, NARENCO will help FFC grow to serve fifty families living in poverty for their 2020-21 program year.

“We are grateful NARENCO saw value in our mission and became a Silver Level Sponsor to help us serve fifty families this program year,” said FFC President and Founder, Carrie Christian. “We are a perfect fit as NARENCO values sustainability and long-term partnerships when it comes to Solar Energy which is parallel to our mission of helping families gain long-term stability through partnership with their family liaison.”
